HOW TO USE THIS FEATURE CATALOG

This ordering guide lists our most current selection of fasteners for the wood working industry. This includes many hard-to-find items that few suppliers carry.

For each item, we list the size, description and Kanebridge carton quantity. That quantity is the minimum order amount for each item. There is no dollar minimum requirement to place an order with Kanebridge.

HOW TO PLACE AN ORDER

To obtain a price quote or place your order:

- Phone (888-222-9221)
- Fax (201-337-2301)
- Go online at www.kanebridge.com
- Access the Kanebridge wireless app

Orders placed by 5PM local time ship the same day from each Kanebridge branch.

WHAT YOUR SHIPPING OPTIONS ARE

- **UPS & FedEx** pick-up from each of our branches daily. For larger shipments, we can arrange for your preferred common carrier to pick-up your order—usually the same day.
- Will-call orders can be picked up within 1 hour.
